

Client Connectivity Testing Schedule

May 2026 to December 2026

Note: Times are denoted in 24-hour JST notation.

Connectivity Testing

| Test | Day | Time | Description | Application procedure |
|--------------------------|-----------------------------|--|---|---|
| ● PROD Supported | Saturday (twice a month) | DAY/DAYX/DAYU 08:20 – 16:30 NGHT 08:20 – 06:00 T+1 DJGB 08:20 – 18:00 | All order entry and market data services available for testing. Support available until 12:00 ³ . | Submit a weekend test application through JNX Client Portal. Submission deadline: 3 business days before test weekend. |
| ▲ PROD Unsupported | Saturday Sunday | DAY/DAYX/DAYU 08:20 – 16:30 NGHT (Sat) 08:20 – 06:00 T+1 (Sun) 08:20 – 16:30 DJGB 08:20 – 18:00 | All order entry and market data services available for testing. Support unavailable. | Submit a weekend test application through JNX Client Portal. Submission deadline: 3 business days before test weekend. |
| ■ UAT Live | Monday to Friday | DAY/DAYX/DAYU 08:20 – 16:30 NGHT 17:00 – 06:00 T+1 DJGB 08:20 – 18:00 | Clients with UAT sessions can run the test as a live session. Support available until 16:30 ³ . | No application request needed. |

Notes

1. If no application is received before the deadline, Japannext may cancel the scheduled weekend test on a per PROD market (**DAY, DAYX, DAYU, NGHT, DJGB**) basis.
2. The UAT environment may experience high volume and/or downtime during internal testing on Tuesdays and Thursdays.
3. Should testing support be required, please provide Japannext with advance notice regarding the specific procedures to be performed.
4. The **Production** and **UAT** columns in the monthly testing schedule tables below are applicable to all markets listed in the **Connectivity Testing** table above.

Network and SFTP Testing

| Test | Day | Time | Description | Application procedure |
|------------------|--|--------------|---|--|
| Network Failover | Saturday (twice a month on PROD Supported Test) | 8:20 – 16:30 | Network failover test required for all JNX clients. It is recommended to perform this test at least once a year. JNX Network Team provides test instructions. | Submit a weekend test application through JNX Client Portal and specify the test in Test Purpose. Submission deadline: 3 business days before test weekend. |
| SFTP Connection | Daily | Anytime | Available testing includes ping and telnet connection tests. | No application request needed. If confirmation needed, notify Japannext. |
